25.282 Acres

\$1,349,900

BUY & HOLD | OWNER FINANCING | UTILITIES AVAILABLE | IH-35 ACCESS

This undeveloped property is strategically located in between FM 3009 and FM 2252 outside of the flood plain. Just mile north of IH-35 in the middle of future planned growth including East & West Connector 1 or East & West Connector 2. The wildlife management tax valuation keeps taxes low as the immediate area potential grows.

The property is fully fenced in barb wire. City water and electric are available at the road. The raw land provides a blank slate for building. Zoned as a future light manufacturing property. The rectangular, level tract hosts a mixture of cedar, mesquite, and huisache. Several feeders throughout the property attract many songbirds and other avian species. A Wildlife Management tax valuation keeps the carrying cost low.

Located just off IH-35 between New Braunfels and San Antonio, Schertz TX is strategically nestled between two of Texas fastest growing areas. The original settlement of Schertz was named after the Schertz family; French settlers who farmed and developed the area. The addition of the railroad as well as the Schertz Electric company provided the spark to give this community the foundation to grow to be the present day coveted community. With the small town feel and the big city amenities so close to home, the Schertz community can give you the best of both worlds.
